ApplyTexas Deployment Updates

Communication and Deployment Update:

ApplyTexas Partners,

As part of our ongoing commitment to enhance visibility and streamline communication for ApplyTexas, we are updating our process regarding system deployments.

We will continue weekly deployments, with our maintenance windows occurring each Thursday evening. During maintenance windows, ApplyTexas will be unavailable. Starting next week, we will no longer send an email before the deployment. Instead, we will now send one summary email on Fridays, post-deployment, detailing what was successfully deployed during that week's maintenance window.

Maintenance Window: ApplyTexas will be unavailable every Thursday from 7-11:59 p.m. CT during our scheduled maintenance window.
