ApplyTexas Maintenance Updates

ApplyTexas Partners,

We are pleased to share key enhancements that were implemented this week during our two maintenance windows.

Deployments Completed:

Tuesday, June 25:

- Activation of CSV/JSON download buttons
- Inclusion of user's email in the 'download results' file
- Enhancements to school search logic to support more applicant types
- Updates to conditional logic for gender and phone number requirements
- Removal of duplicate records in the Admin portal

Thursday, June 27:

- Resolution of additional EDI discrepancies, including the emergency contact section and email address entered by the applicant in the core questions contact section
- Updates to include alpha numeric zip codes for international addresses
- Enhancements to screener results for non-citizen applicants
- Addition of new columns in download results to align with legacy behavior

- Fixes the application details view to remove values that were appearing as code

Webinar briefing: We are hosting a webinar briefing on **Tuesday, July 2 at 3 p.m. CST** to review next week's deployment activities. Please note we will not have a webinar session on Thursday due to the Fourth of July holiday. Please [register for Tuesday's webinar here](#).

We encourage you to visit the [Redesigned ApplyTexas - Texas Higher Education Coordinating Board site](#) for past communications, webinars, and training videos. You may also stay updated on resolved issues and pending tickets at the ApplyTexas Helpdesk dashboard. Please continue to submit tickets for new issues, and remember no further action is required for previously reported issues.

Thank you for your continued partnership and patience as we strive to enhance the functionality and user experience of ApplyTexas.

Respectfully,
The ApplyTexas Team
