

ApplyTexas Webinar Series

The **Texas Higher Education Coordinating Board (THECB)** is excited to announce that new platform enhancements are coming to the **ApplyTexas Counselor Suite**. These updates will include improvements to the Counselor Suite's Student Details feature, so you can manage your student rosters and monitor progress more easily. We'll also provide an overview of the ApplyTexas system and share tips for using these tools to support your students.

To make sure you can fully utilize these updates, we're hosting a series of **webinar sessions starting August 26**. These sessions will cover what's new and share important features. **Click the links below to register.**
